The Board of Directors (“the Board”) recognises the importance of good corporate governance in building a sustainable business, and is committed to ensuring that the highest standards of corporate governance, as embodied in the Malaysian Code on Corporate Governance 2012 (“the Code”), are practiced throughout IJM Plantations Berhad and its subsidiaries (“the Group”). This statement describes on how the Company has applied the principles as set out in the Code and the extent of its compliance with the principles. The reason for not applying specific principles in the Code is explained in this statement.

I. BOARD OF DIRECTORS

Board Charter

The Board Charter acts as a source of reference and primary induction literature in providing insights to Board members and senior management.

The details of the Board Charter are available for reference at www.ijm.com/plantation.

Composition of the Board

Five (5) of the seven (7) Board members are Non-Executive Directors and among the Non-Executive Directors, three (3) are independent. The Chairman is one of the Independent Non-Executive Directors.

Mr M. Ramachandran A/L V.D. Nair is the Senior Independent Non-Executive Director to whom queries or concerns relating to the Group may be conveyed by shareholders by way of writing to the Company’s registered address or electronic mail to csa@ijm.com or contact Tel: +603-7985 8131.

The composition and size of the Board are reviewed from time to time to ensure its appropriateness.

The Independent Non-Executive Directors are able to provide independent judgment, experience and objectivity without being subordinated to operational considerations. They help to ensure that the interests of all shareholders are taken into account by the Board and that the relevant issues are subjected to objective and impartial consideration by the Board. In line with the recommendation of the Code, none of the Independent Directors’ tenure has exceeded a cumulative term of nine (9) years.

corporate objectives. The demarcation complements and reinforces the supervisory role of the Board. Nevertheless, the Board is always guided by the Board Charter which outlines the duties and responsibilities and matters reserved for the Board in discharging their duties.

The Directors have a diverse set of skills, experience and knowledge necessary to govern the Group. The Non-Executive Directors are professionals in the field of agriculture, finance, accounting, engineering and public administration. They collectively bring a wide range of competencies, capabilities, technical skills and relevant experiences to support the needs of the Group to make it one of the foremost plantation companies in the country.

The Board holds at least four (4) regular scheduled meetings annually, with additional meetings for particular matters convened as and when deemed necessary.
