TRAINING

During the year, the Audit Committee members have attended conferences, seminars and training programmes.

Details of these are available at www.ijm.com/plantation.
INTERNAL AUDIT FUNCTION

The Internal Audit function has been outsourced to the Internal Audit Department (“IAD”) of IJM Corporation Berhad. The Board has chosen to outsource this audit function as the Board is of the opinion that the operations of the Group by itself cannot support an effective IAD in terms of availability of appropriate skills and resources, which a large IAD through IJM Corporation Berhad can provide. The Internal Audit fees charged to the Group for the financial year ended 31 March 2014 was RM160,000.

The IAD is governed by the IJM Internal Audit Charter and takes into account global best practices and industry standards. The Head of Internal Audit reports directly to the Audit Committee and has direct access to the Chairman of the Audit Committee on all the internal control and audit issues.

The main role of the IAD is to provide the Audit Committee with independent and objective reports, performed with impartiality, proficiency and due professional care, on the effectiveness of the system of internal controls within the Group. The Audit Committee discusses the internal audit reports to ensure recommendations from the reports are duly acted upon by Management.

The IAD adopts a risk based auditing approach, prioritising audit assignments based on the Group’s business activity, risk management and past audit findings.

INTERNAL AUDIT ACTIVITIES FOR THE FINANCIAL YEAR

During the financial year, the IAD had completed and reported 16 audit assignments covering the operations in the estates, mills, head office in Malaysia and those in Indonesia. This includes special audits conducted on the basis of special requests from the Board, Audit Committee, Senior Management or those arising from the Group’s Whistle Blower Programme.

The IAD also plays an active advisory role in the review and improvement of existing internal controls within the Group.

This Audit Committee Report was approved by the Board of Directors on 11 July 2014.
